

Dear Families,

Welcome to the last day of the school year and this, our (my) last newsletter.

How are you? It's a strange feeling isn't it - the last day...

For those of you experiencing your first 'last day' - it's gets easier and harder at the same time. The rites of passage as pupils move through the school get more and more special... For those of you facing your last 'last day' here at KC - breathe. I was talking with our Year 6 parents this week as they joined us for the 'Year 6 play' and we found out that one family has been doing the school run here at KC for 19 years! Today is going to be happy, sad and exciting - and that's just us, the adults!

The pupils see our Year Sixes going through the rituals of leaving - shirt signing, special assemblies, guards of honour - it flashes by and it's their turn. I remember telling our current Y6 to cherish every day as their turn will be here before we know it... and here we are!

I know, as lots of them tell me, they're going to miss us. I know how they feel.

KC is very special indeed. There really are not other schools like it. The love, laughter and learning that fill every moment, the sense of family, our community and love of each other is something I am deeply proud of.

Our mission as a school is simply to be a place where everyone shines and wow, do we do it.

This week we have celebrated our pupils at the Kernow Learning Awards Ceremony, we have had Year 6 plays, end of term picnics, competition winning news, Year 6 leavers' assembly and their play... each one of those our pupils shone their light.

Our adults shine too and have made my time as Headteacher here an absolute pleasure and an honour.

THANK YOU will never sound enough. And I dare not try and thank everyone as I will miss people for sure. But THANK YOU. For all you do day-in, day-out to support our school, our team, your children, our community and for me.

I am deeply, deeply proud every time I get to say, 'I am the Headteacher of King Charles School' and for your love, care, friendship and commitment I am truly thankful.

Wishing you a super summer, with all my love,

We also send Mr Matthews, Ms Blake, Mrs Statton and Mrs Cole our love and best wishes as they also leave King Charles for new adventures

Lee

## A Message from Karen our Local Governing Body Chair

As the Chair of our Local Governing Body, and on behalf of our Governors here at King Charles, I want to say a huge "Thank You" to Mr Moscato.

I am always struck by those who visit our school and comment about how special it is. They describe a feeling they get when they enter the building and have described to me the enthusiasm, with which Mr Moscato shares the work of the school and what is achieved through the teamwork of everyone here. I am always inspired by the true sense of community that has been nurtured and developed and is shared by all of our stakeholders.

Mr Moscato is the most passionate person I know about education, and he is relentless in ensuring the conditions are right for children and staff to thrive. This passion is infectious, and he is very highly regarded within our Kernow Learning Trust of 21 schools.

We are so incredibly proud that he will be sharing this so much more widely as he is seconded to the role of the Director of Education for the Diocese of Truro.

We wish you all a relaxing summer holiday, and look forward to seeing you in September.

I know our school is in incredibly safe hands with Mrs Mackenzie as our Head of School, and Mr Richards as our Executive Headteacher.

### PTA Wrap-up

What a fantastic turnout for last Friday's **Summer Party** at Princess Pavilions! We hope you enjoyed yourselves, we've noted elements we can improve, and we're looking forward to next year's party already... but first, a well-deserved break from PTA planning. Check out the graphic below to see a **summary of all we have fundraised and achieved this school year**. We are always open to your feedback and welcome your input and participation to shape **events, projects and activities** in the future. In fact, **we really need your help**; many of our kids will be moving on to secondary school soon, so **the PTA will cease to exist unless you step up to keep it going. Join us as a Committee Member in the autumn, and make a difference in the King Charles community!**

# King Charles School

2021-22's epic £10K fundraising total was a tough act to follow, but we're proud of all we've managed to achieve this year, especially given the higher cost of living. Thanks to all who have supported us with money spent, goods donated, volunteering at events, second-hand uniform help and more! Each year group, SEND and Ex-Day team has £300 annually to spend as they wish (£1,360.75 given this year), in addition to the bigger projects we fund. Help us make an even greater impact next year, shaping the activities and events you'd like to see, by [joining the PTA committee](#) and getting involved!
