

Dear Families

Is it just us or are you also finding that time is whizzing by incredibly quickly? It's July next week!

It's been another great week here and some of my personal highlights are going to be those things that are going to make the last day of term so hard.

My day is varied to say the least but completely full of joy. Starting on the gate and seeing pupils happy and ready for the day ahead and the lovely 'good morning' greetings is something I will really miss. And then being around school in lesson time and seeing the progress our pupils make. Pupils are always so proud to show me their learning and when they do, they will see that I start by reading the piece they show me and then flick back to the start of the book to compare then and now - I never fail to be blown away by the progress. Do it the next time you look at your child's learning - it will, as it does to me, make you burst with pride!

Then there's things like music lessons, amazing art skills, sporting achievement and pupils simply being good friends to each other. I know I am biased but there is something special about our school and it quite honestly comes from living out our values and aim all day, every day. Clearly, our team here enable our pupils to shine!

This time of year is always strange for our pupils and colleagues as we all look forward, become excited, reflect back upon things and prepare ourselves for the next step whether that's a new class, a new school or a new job. What I do see is everyone showing friendship as we support each other through the mix of feelings we are all dealing with.

Wishing you a lovely weekend,

Lee Moscato

Mrs Stratton and Mrs Coles were thrilled with the beautiful floral headdresses the children created the children showcased them in a serpent parade around the school grounds. A fabulous day!.

Packed Lunches and Snacks

Packed Lunches and Snacks

Here's a little reminder about ensuring that lunches are not just healthy but safe too...

Please remember that if your child brings a packed lunch or snack, we ask that:

- grapes or small tomatoes are cut in half to reduce the risk of a choke hazard
- we ask that chicken is not sent in on the bone as this also has a choke risk
- sweet treats are part of a balanced meal
- no type of nuts, we are a nut free School
