

Dear Families,

Welcome to the penultimate newsletter of this school year!

Firstly - what weather! Whilst I really love the sun, I welcomed some rain for our school field and gardens - I think I actually heard the ground rejoice in the downpour this morning which we hope will give a little life to our field ahead of next week's whole school picnic which is really exciting!

This week we welcomed some Kernow Learning colleagues to our school to carry out a School Improvement visit. These visits, which every school in our Trust benefits from, allows us to have some fresh eyes looking at our work, sharing ideas and enabling Trust colleagues to benefit from the work in each one of our schools - sharing is indeed caring!

As you can imagine, the visit was incredibly positive with notable comments being the way in which our pupils focus on their learning, their behaviour and the commitment from our staff team. When we had our last School Improvement visit, there were a few pointers shared to add polish to what we already know is excellent practice here - all points were acted upon which is testament to our staff team and the Leadership Team.

For me personally, it was a strange day as I wasn't here for the visit. It was important for the team here to 'own it' and it showed that the school is in very safe hands as I leave at the end of term. It also served as a perfect opportunity to allow me to let go and allow the team to shine and my goodness, shine they did!

I am incredibly proud of our team and our pupils: we aim to be a school where everyone shines and wow - everyone really does!

And now we approach the last week together with rites of passage ahead of us including Year 6 performances, the guard of honour for our leavers and events including end of term assemblies and special times together.

Enjoy your weekend,

Lee Moscato

Goodbye Mrs Blake

At the end of this term, we say farewell to Mrs Blake who, after 9 years at KC is leaving at the end of the term.

Mrs Blake has done incredible things here including working closely with pupils as a 1:1 adult and of course most recently as part of our Ex Day team. Her passion for learning has shone through and we are truly thankful for all that she has done, in a range of roles in the years here at KC.

Clubs

Please be reminded that all our clubs have now finished for this term. We look forward to sharing with you our new clubs in September. Pupils will need to be collected by the end of the school day next week unless attending BASC.

End of Term Picnic

We are all looking forward to spending time with our KCT friends on Thursday, enjoying a picnic lunch. Please could children bring into school a small blanket or towel to sit on. As we are holding the picnic to celebrate the end of term there will be no class parties.

RB's Beach Trip

Class RB had a fantastic trip to the beach this week where the RNLI lifeguards at Swanpool Beach gave us a talk on how to keep safe.

Mad Hair Day

WOW! A huge thanks to everyone who participated in Mad Hair Day and donated to Edukid today. As always, we are so grateful to have your support!

EDUKID
Education for a brighter future

Please collect your Child's Medicine

If your child has any Medicine in the office **please can this be collected next week** before the end of term. Any medicines left in the office after this will be disposed of appropriately. If your child requires continued medicines in the new school year a new form will need to be filled out and medicines brought in on return back to school in September.

Library Books

Please could all books be returned to the library next week. If any child would like to borrow books over the summer please ask Mrs Seager.

News From the PTA

What a fantastic time we had at the **Summer Fair** on Saturday! Thank you to all who came along, those who purchased raffle tickets, the student performers and the volunteers who helped set-up, run games and stalls, serve food and more. So far, the event raised about **£2,543** in profits, and we expect that number to increase once we receive the donation from Oggie's Cornish Kitchen, who have pledged 10% of their profits from the day. We were really happy that the sun shone for us and the community spirit was strong throughout!

We're excited to have our last event of the school year this afternoon at **Princess Pavilions**, so please come along and unwind with friends at the **Summer Party** from 4-8pm. The bar will be open for drinks and we'll have a **tuck shop** stocked with sweet and savoury items for you to enjoy at £1 or less per item (cash and card accepted). There will be short skits performed by **The Story Republic** from 4.30-7pm throughout the courtyard and cafe, and then a **disco with DJ Good Doggy** in the theatre space from 6-8pm. Come at a time that suits you – no year group timings at this party. Tickets can be purchased on [Eventbrite](#) until 4pm, after which time tickets can only be purchased at the door. **Please note** that the main theatre entrance will be the only one in use at the event, with the garden and car park exits closed off for security. All children are required to have a named adult with them for the duration of the party.

Next week, we'll give you a colourful visual summary of all the things we've done this year, so you can see how the money we raised has been spent, and how the experiences of our kids and KC staff have been enriched over the 2022-23 academic year. If you value the **community ethos** we embody and appreciate having these **events and support** within the school, then please **join the PTA committee** next school year. We especially **need parents and carers with children in EYFS and KS1**, as many of us have older children who will be leaving the school next week and in the year ahead. You are all automatically members of the PTA, but we need people on the committee to organise events, fundraise in creative ways, run Second-hand Uniform Sales, and more. Without you to carry the PTA forward, it will **fade away**. **Please reach out and get involved!**
