Our big question	Can I use a keyboard to create digital text?		
Remember this?	We will remember how to sign-in to the computer using our user name and password.	We will think about what we already know about using technology safely .	We will remember how to write our name using the keyboard .
As computer users, we will learn how to...			
Add and remove text on our page by pressing keys on the keyboard.	Explore the different tools that can be used in word processors to change the look of the text .	Decide if we like changes we have made to our text and use 'Undo' to remove unwanted changes .
