

Dear King Charles Families,

This week, those families who have applied for places ahead of September 2023 have been informed of the school their children will attend and we are thrilled to welcome our new pupils to our school!

It's a real joy and privilege to be chosen as the school for pupils. Whether welcoming siblings from families past or present or welcoming brand new families into our school family - thank you for choosing KC!

Already a welcome letter has been sent and we will soon be starting visits to nursery settings and planning time for transition, not just in Early Years, but across the school.

Transition is important, especially in a large school like ours. It ensures that adults and children alike are prepped, familiar and ready for the year ahead. Time is given for new families to visit, pupils to spend time with new class-based adults and a time for family members to meet the new team. Of course this term also includes times for our Year 6 pupils to visit their new schools and where we plan our farewell to them. All of this will take place this term and, if this Summer term is anything like previous ones, it will whizz by in a flash!

I look forward to seeing lots of you in the coming weeks and months ahead of the start of the year ahead.

Enjoy the weekend,

Lee Moscato

Worship Theme

This half term, we have started our new worship theme of Trust. It's a focus on a Christian value but one that applies to everyone, whatever their faith or belief. Being trustworthy, showing our thanks to those we have trusted and recognising the importance of trust is a life skill and one that your child will be exploring this half term in assemblies, worship time and class discussions.

Lost Property

With summer clothes coming out of wardrobes, we ask that families check carefully that all items are named to prevent the mountain of lost property from growing even more!

THANKS to the PTA for helping to manage this.

Sun Safe

With the sunshine starting to be present a little more now, if needed, please ensure that your child wears sunscreen before coming to school and also brings a hat to wear outside.

Emergency Alert System

The government is testing a new emergency alert system on Sunday 23rd April at 3pm.

The first time this alert happens it is just a test so its nothing to worry about, but in the future it could be letting us know about a real emergency.

Clubs

Thank you to the staff team here at KC who have given up so much of their own time to make this term's club offer happen.

Thanks to those who have signed up! You will have received an email from us.

RNLI Visit

Here is Molly in 5WS as a lifeguard in our RNLI assembly this week. We learnt all about the role of the RNLI and how and where to find them on Gylly beach. We also learnt key strategies if we are ever caught in a rip current learning to swim with rip not against it!

Well done Molly, you'd make an awesome lifeguard!

Ex-days! Years 4,5,6

In Ex-days next week, we will be geographers and historians learning about European monarchies and the life of King Charles III.

ATTENDANCE

This week's whole school attendance is 94.6%.

Class RA 93%	Class RB 93%
Class 1C 95%	Class 1H 95%
Class 2D 96%	Class 2S 96%
Class 3BC 95%	Class 3M 92%
Class 4E 94%	Class 4H 95%
Class 5C 94%	Class 5WS 96%
Class 6J 93%	Class 6T 93%

Well done to classes 2S & 5WS who are top of our attendance table this week with 96%

Reading Karate

<u>Year Group</u>	Looking forward to the week ahead (week beginning Mon 24th April) ...
<u>Reception</u>	Reception will be hunting for minibeasts and learning facts about spiders and ladybirds.
<u>Year 1</u>	As scientist, we will be exploring the physical properties of everyday materials.
<u>Year 2</u>	As theologians and authors, we are going to learn about and retell the Bible story of Zacchaeus.
<u>Year 3</u>	As Geographers, we can't wait to investigate our local environment looking for local art. We will learn about OS symbols and then create our own for the art that we have found along our route.
<u>Year 4</u>	As theologians, we are looking forward to continuing learning about the impact of Pentecost.
<u>Year 5</u>	Next week in Year 5, we are looking forward to our residential and school-based activities
<u>Year 6</u>	As Geographers we will be learning about how to locate key locations along the route of a river.

3M – Jocelyn P **3BC** – Ned W
4C – Ayaan S **4H** – Benjamin C
5WS – Flynn D **5C** – Izzie C
6J – Mia B **6T** – Noah N

KC ROCKS

Year 4 are embarking on spreading some positivity: **#kingcharlesrocks**

As the introduction day to our topic, we have painted rocks with positive affirmations. The aim is that these rocks will be hidden in various places and act like geocaching - find it, take a picture of it, move it somewhere else, and then we would like people to tag us using the hashtag #kingcharlesrocks

We have made a little video to explain how this works - use the QR code on the poster to go to the YouTube link.

Any and all support will be really appreciated.

Thanks everyone - *You are limitless. Anything is possible.*

King Charles C of E (VC) Primary School
WHERE EVERYONE SHINES
'Let your light shine before others' (Matthew 5:16)

KC ROCKS

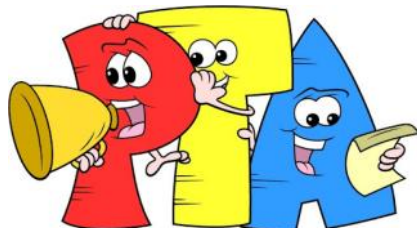

**FIND IT
SNAP IT
MOVE IT
TAG IT**

#kingcharlesrocks

**FIND A ROCK.
PHOTOGRAPH IT.
MOVE IT SOMEWHERE NEW.
TAG IT AND WHERE YOU ARE.
HOW FAR CAN WE SPREAD THE POSITIVITY?**

Kernow Learning

The poster features a vibrant background of blue, purple, and pink watercolor splashes. At the top left is the school crest, and at the top right is a star with a shooting trail. A QR code is positioned on the right side of the poster.

News from the PTA

Welcome back to the last term of this school year, where we have plenty of activities in the pipeline to keep you heading happily towards the summer!

We ended last term with the **Year 6 Easter Egg Hunt**, raising **£92.50** for **Leavers' Hoodies** and **end of year celebrations**. Look out for more Y6 fundraisers this term to help us reach our goal!

You've got **one week left** to take part in the [Falmouth Small Business Easter Egg Hunt](#)! We'd be grateful if you'd share it far and wide in the community. It's **FREE to take part** and will help give our local shops and cafes a boost! We've only had a handful of people submit their answers, so there are excellent odds for winning a prize. One prize will be awarded per year group (Reception through Y6). You've got until **Friday 28 April** to complete it and [email us](#) your answers.

Join us for a drink next **Wednesday 26 April, 7.30pm** at [The Seaview Inn](#). We'll be planning our **Summer Fair (Saturday 8th July)** and desperately need volunteers to help plan, run stalls, games and more. Stick around after the meeting for the **pub quiz at 9** if you want to make an evening of it. If you'd like to get involved, please come along or [reach out to lend a hand](#).

We're repeating this next bit again, as there's been **radio silence** since we put it out there...

Your PTA needs you! Beyond the summer fair, we're actively looking for parents/carers (especially those with EYFS and KS1 kids) to help us continue the great work we do, organising social events, fairs and fundraisers for the school. Many of us on the committee have children in older year groups and will be retiring from our roles this year and next, so if you want to see the PTA continue, we need you to **step up**. Whether you're **passionate about sustainability** and want to get involved with Second-hand uniform sales, or you **love a good party** and want to put your **event planning** skills to work, we need you! We'd hate to see the PTA fade away. [Get in touch](#) and **make a difference in our community**.

2023
