

Dear Families

This week has been a busy one here at KC! We started the week working with our Kernow Learning School Improvement Team colleagues who came to spend a couple of days with us looking at our work and supporting us on some of the things we are working on here such as continued strengthening of our curriculum and checking that the quality of teaching and learning is exactly where we want it to be for our pupils. It was a really successful visit and at

a time when the media is talking of how schools are supported and monitored, to me this is what school improvement is all about. It was a chance to share lots of the best practice that we do here at KC and then allow them to filter out and be shared with others in our Trust. Similarly, where the team brought ideas for how we can stretch beyond in our work, they were able to share what others have been doing and we are then able to adapt this to suit our school. This support, sharing, strengthening and stretching beyond is a real plus from being in a Trust like Kernow Learning and its thanks to this that KC continues to go from strength to strength.

This week has also seen our Year 5s head off on their residential. It's times like this that we realise how much our adults give to our pupils to enhance their experiences and give them such incredible opportunities. THANK YOU to our adult team as it's thanks to you that our pupils really shine!

Have an enjoyable bank holiday weekend,

Lee Moscato

Coronation Celebrations

We can't wait to mark the occasion here at KC! Pupils are invited to wear something red, white and blue along with their normal uniform on Friday 5 May.

On that day, we will be celebrating with class tea parties, creating a whole-school piece of art to remember this event as well as an exciting competition to design a cake to celebrate the Coronation of King Charles III.

During next week pupils will have some time to design a cake fit for a King and these will then be judged by our kitchen team with winners being given some home baking kits and equipment!

Before half term we also will be presenting our pupils with a special commemorative gift which is being supported by our amazing PTA!

News from the PTA

We had a great time at the Seaview Inn on Wednesday evening, enjoying a drink together and hashing out some of the many details that go into planning our **Summer Fair** on **Saturday 8th July, 11.30am-1.30pm**, as well as the **End of Year Party** on **Friday 14th July, 4-8pm**. We've got a lot of your **favourite games** coming back for the fair and some new ones in store, too. Should be a great time! We were thrilled to receive a handful of messages from parents who weren't able to attend the meeting, but wanted to lend their support on the day. We'll need at least **30 adult volunteers** (plus **kids in Years 4-6**) for it all to run smoothly, and we're **less than halfway there**. **Volunteers will receive 10 FREE TICKETS** to be spent at the various KC-operated stalls and games, so there are definite perks to running these, selling tickets and more! [Email us to volunteer](#). The next meeting to finalise plans will be on **Wednesday 14th June, 7.30pm at the Seaview Inn**, so we can tie it in with another round of drinks and their pub quiz!

Are you a **maker, artist, jumble sale enthusiast, charity with a message to spread, food/drink truck owner** or **provider of children's activities**? We're looking for people and causes to fill our **Market Space** and **Workshop and Performance Areas** at the fair. Set up will be from 9.30am, and the fair will run from **11.30am-1.30pm**. Show off your talents and get the word out about what you do! This will be a fantastic opportunity for sellers to make a bit of money, costing only **£10 for a pitch/table**, which goes entirely to the PTA in support of many **King Charles School Projects**. *We ask food & drink truck sellers for £10% of their profits, also fully going to the PTA and school.* If you or anyone you know might be interested, please send us a message by [email](#), [Facebook](#) or [Instagram](#).

Lastly, thanks to those who supported the **Falmouth Small Business Easter Egg Hunt!** Today is the last day to submit your answers and be in the running for one prize per year group. We hope you had fun along the way, whilst raising awareness for our local shops and cafés. Prizes will be announced on social media and in the newsletter next week and can then be collected in the school office.
