Geography —Year 3

Our big question	<h1>How are shadows formed?</h1>		
Remember this?	Identifying land use around the school?	Using compass directions (north, south, east and west) and locational language (e.g. near and far) to describe the location of features and routes on a map?	Devising a simple map; and using and constructing basic symbols in a key.?

As artists, we will learn how to...

describe how the locality of the school has changed over time.	use fieldwork to observe and record the human and physical features in the local area using a range of methods including sketch maps, plans and graphs and digital technologies.	use the eight points of a compass, four-figure grid references, symbols and key to communicate knowledge of the local area.
